IMPORTANT NOTICES

Special attention is drawn to the **Terms of Sale** printed in this catalogue and displayed in the saleroom. The staff at the Auction Centre welcome your custom and hope that the following information makes your buying visit as simple and enjoyable as possible.

Paddle Bidding: All buyers need to register at the office for a paddle number to enable them to bid, this process is simple and takes approximately 30 seconds, however, we do require some form of identification i.e. driver's licence.

Absentee Bidding: Buyers unable to attend the sale are welcome to submit commission bids, simply fill in a commission bidding form and hand this to a member of staff, or telephone your bids through and we will bid on your behalf. Commission bids can also be emailed to fineart@lsk.co.uk. It is important to allow sufficient time for commission bids to be processed when leaving bids. Lacy Scott & Knight offer a **free online bidding service** via our website. Clients can set up an account on our website which allows you to leave bids until half an hour before the auction starts, and then you can bid live. See our website for full information. Please note that if you register for our auction on thesaleroom.com first, then you will be liable for their 4.95% (plus VAT) fee. In completing the bidder registration on our website (or thesaleroom.com) and providing your credit/debit card details, and unless alternative arrangements are agreed with Lacy Scott & Knight you authorise Lacy Scott & Knight, if they so wish, to charge the credit/debit card given in part or full payment, including all fees, for items successfully purchased in the auction via LSKlive or the-saleroom.com, and confirm that you are authorised to provide these credit/debit card details to Lacy Scott & Knight through LSKlive or thesaleroom.com.

Condition: Neither the Auctioneers nor the Vendor are responsible as to the condition of lots listed. The absence of any such reference does not imply that a lot is in good order or free from imperfections or repairs. Intending purchasers are strongly recommended to satisfy themselves by inspection prior to the sale of the condition of any lot. Condition reports can be compiled upon request, but must be considered solely as a matter of opinion and not fact. Purchasers are reminded that goods become the sole responsibility of the buyer at the fall of the hammer.

Electrical goods: These are sold as "antiques" only. If you buy electrical goods for use you must ask a qualified electrician to check them for compliance with safety regulations before you use them.

VAT: VAT at the prevailing rate is payable on top of the hammer price on those lots marked (*) in the catalogue.

Buyer's Premium: All lots are sold with a Buyer's Premium of 22.5% (unless otherwise stated), this figure is also subject to VAT at the prevailing rate e.g. a buyer with a hammer total of £100 will have a gross invoice of £127.

Selling Rate: Our auctioneers sell at approximately 120 lots per hour, buyers are advised to make sure they are in the saleroom at least 20 minutes before a lot is expected to be offered in case the auctioneer is ahead of schedule.

Droit de Suite: Please note that purchasers of works of art subject to Droit de Suite (ARR) will pay Lacy Scott & Knight a 4% (inclusive of VAT) premium on the hammer price in addition to the buyer's premium. Lacy Scott & Knight will then pass this onto the Design & Artists Copyright Society or Artists Collecting Society. A painting or work of art is subject to Droit de Suite in the UK **whilst the artist is living and 70 years after the artist's death**. A percentage of 4% is payable on lots with a hammer price in excess of €1000 (approx. £850).

Payment: We accept most methods of payment including cash (up to £10,000), cheques supported by valid banker's card, debit cards and credit cards (Not AMEX or Diners Club).
