IMPORTANT NOTICES

Special attention is drawn to the **Terms of Sale** on our website and displayed in the saleroom.

Paddle Bidding All buyers attending the auction need to register for a paddle number to enable them to bid, this process is simple and takes approximately 30 seconds, however we do require some form of identification i.e. driver's licence.

Absentee Bidding Buyers can submit commission bids by email, telephone, or via our website www.lskauctioncentre.co.uk and we will bid on your behalf. It is important to allow sufficient time for commission bids to be processed when leaving bids. Lacy Scott & Knight offer a **free online bidding service via our website** which becomes 'live' half an hour before the auction starts.

Condition Neither the Auctioneers nor the Vendor are responsible as to the condition of lots listed. The absence of any such reference does not imply that a lot is in good order or free from imperfections or repairs. Intending purchasers are strongly recommended to satisfy themselves prior to the sale of the condition of any lot. Condition reports can be compiled upon request, but must be considered solely as a matter of opinion and not fact. Purchasers are reminded that goods become the sole responsibility of the buyer at the fall of the hammer.

VAT VAT at the prevailing rate is payable on top of the buyers premium.

Buyer's Premium All lots are sold with a Buyer's Premium of 22.5% (unless otherwise stated), this figure is also subject to VAT at the prevailing rate e.g. a buyer with a hammer total of £100 will have a gross invoice of £127.

Selling Rate Our auctioneers sell at approximately 120 lots per hour, buyers are advised to make sure they are in the saleroom at least 20 minutes before a lot is expected to be offered in case the auctioneer is ahead of schedule.

Payment We accept most methods of payment including cash (up to £8,000), cheques supported by valid banker's card, debit cards and credit cards (Not AMEX or Diners Club).
